

Flat profile holder - length 83mm, pack 100 pcs

Product description

Flat profile holder - length 83mm, pack 100 pcs

100 mm overall length, for use with a cable tie up to 4.6 mm wide.

The marker is a perfect solution for marking industrial, ICT and energy installations, the high resistance of the print to UV radiation makes it suitable for use in outdoor conditions, even with high sunlight.
