

TB-C Black Ribbon Cartridges, for MK2500 / MK8 Pro / T800 / MK8 Std, T1000 Series printers

Product description

Original Canon printer ribbon, black, the cassette contains 100 meters of ribbon

Compatible Models: MK2500 / MK8 Pro / Promark T800 / MK8 Std, T1000, MK2600

The color ribbon is made on the basis of soot, which gives the print a high resistance to UV radiation, after 24 months of exposure in a sunny place, no losses or loss of color were found - the print was made on the yellow RP series profile.
